(e) the reasons if any, for delay in modernization of viable NTC mills?

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES (SHRI E.V.K.S. ELANGOVAN): (a) As per the Rehabilitation Scheme approved by Board for Industrial and Financial Reconstruction (BIFR), 65 unviable units have been closed under Industrial Disputes (ID) Act. The details of year wise no. of closed mills is as under:—

Financial Year	No. of mills closed
2002-03	33
2003-04	19
2004-05	13

The state-wise position of closed mills is given in the Statement-I. *(See* below)

(b) Yes, Sir.

(c) Does not arise.

(d) Government of India proposes to modernize 22 mills by itself through generation of funds from sale of surplus assets and to run 29 mills through joint venture with private partnership. State-wise list is at Statement-ll and III (See below).

(e) Funds for modernization were to be generated from sale of assets of the closed mills. The modernisation process of viable mills, has been delayed because of slow pace of land sale mainly due to delay in obtaining no objection certificates from State Governments. However, the sale of land picked up after the State Government of Maharashtra gave permission for sale of land of 5 mills in Mumbai in January, 2005. Permission from some State Governments for sale of land and change of land use in respect of other mills is still awaited.
